P1 CURRICULUM

- Curriculum Overview
- Holistic Assessment Mode for Primary 1
- Parents' Role

Curriculum Overview

在发展语言能力的同时，兼顾人文素养和通用能力的培养
To develop the general ability, civic literacy & cultural awareness alongside the development of the language skills

The Focus of P1 New Syllabus(MT/2015)

1. Meaningful & Relevant Learning Content
2. Rich & Diversified Teaching & Learning Resources
3. Engaging & Authentic Language Tasks

1. Meaningful & Relevant Learning Content

→ Learning Content is relevant to students' lives

- The New Curriculum allow students to build a strong language foundation
- Learning content is divided into 6 categories; namely: Individual, Family, School, Community, Country and the World

2. Rich & Diversified Teaching Resources

→ Emphasize on teaching resource development, such as flash cards, picture cards, use of animations, greater use of ICT, etc.

3. Engaging & Authentic Language Skills

→ Emphasis on the development of interaction skills

→ Meaningful tasks and activities whereby lessons are designed to encourage the use of MT in our children's daily lives

Holistic Assessment Mode for Primary 1

HA Assessment :

Listening

Speaking

Reading

Writing

Parents' Role 家长的角色

- ❖ All parents play a very crucial role in your child's learning
- ❖ Do encourage your child to cultivate good habits, such as
 - doing daily revision,
 - cultivate good reading habits,
 - create opportunities to speak the language at home
 - Teach your child to write his/her name (including their Chinese name) in the Student's Handbook
- ❖ Work hand-in-hand with the teachers
 - Help to check your child's Student's Handbook daily

Looking forward to
working hand-in-hand
with you!
