

Synopsis for Dare to Discipline (English) (FOTF-P1-2016S)

Generations of parents have faced the age-old challenge of helping children grow into responsible adults. Yet, even the best-behaved of children will challenge authority to see where their boundaries lie.

This talk will encourage parents and equip them with tools for firm yet loving discipline.

At the end of this talk, parents will be able to:

- Understand the definition and goals of discipline
- Identify their own parenting and discipline styles
- Gain practical discipline tips
