21 March 2017

Dear Parents / Guardians,

We welcome our children back to school. Though it was a just a week, I hope that you have had special moments with your children. We want our children to be happy, enjoy school and be actively engaged in all our school programmes and events.

At the same time, we want our children to be kind, caring and responsible. They must understand how their actions can affect others and thus they must think before they do anything. How will my actions affect my friends and classmates? They should only do or say something if it impacts others in a positive manner and refrain if it will impact in a negative way. As parents and teachers, we want to instil this attitude in our children so that they will grow up to be wise and gracious.

While we are free to choose our actions, we are not free to choose the consequences of our actions
Stephen R Covey

Watch your thoughts, they become words
Watch your words, they become actions
Watch your actions, they become habit
Watch your habits, they become character
Watch your character, they become your destiny
Lao Tzu

Term 2 is going to be a busy time as we have several school programmes and events lined up and our children will also be preparing for the various assessments. Please do continue to support your children's learning, encourage and motivate them to do their best.

Best Wishes !

Mrs Chandler Jay Siva

Morning Arrivals

We would like to remind parents that the school's vehicular entry point now has two lanes to alleviate morning peak hour traffic. Parents who are driving are **encouraged to use either of the two lanes** to enter the school for drop-off.

Picking up of child during curriculum hours (i.e. 7.30am – 1.30pm for normal school days)

We would like to remind all parents to pick up their child **only from the General Office**. A signing-out procedure is required in the presence of our staff before your child is able to leave the school with you.

Passing of items (e.g. wallets, pencil box etc) to child through General Office

We have noticed an increased incidence in parents passing items to their child through the General Office. We would like to discourage parents from doing so as we believe our students need to be responsible and pack their belongings the night before. When parents bring the items to school on their behalf, students will not have a chance to learn from the experience. We would like to assure parents that we have measures in place to ensure your child's well-being even if they have forgotten to bring items such as their wallets, water bottles etc.

Schedule of Key Events for Term 2 2017
